AMERICA’S COMMERCIAL SPACE CONFERENCE AND EXPOSITION

NOVEMBER 20–21, 2019
George R. Brown Convention Center | Houston, TX
www.SpaceComExpo.com

In collaboration with
NASA
and other government agencies

EXHIBITOR PROSPECTUS

Founding Sponsors
SPACECOM IS WHERE INDUSTRY, AEROSPACE, AND GOVERNMENT MEET

Now in its fifth year, SpaceCom represents the exponential growth of the commercial space industry. The mission is to stimulate the economic growth and technological advancements of the U.S. space industry in partnership with NASA, aerospace, and industry.

SpaceCom will now include the participation of the Department of Commerce’s Office of Space Commerce (OSC), and other government agencies, to fully support the advancement of the commercial space industry. SpaceCom is THE signature event to spotlight the United States’ leadership, accomplishments, and plans for NASA, OSC, and other agencies. SpaceCom fulfills the goals of an “all of government approach” to enabling commercial space activity, optimizing the regulatory environment, and spurring economic development.

SpaceCom is America’s Commercial Space Conference and Exposition.

“The mission of SpaceCom and the collaborative opportunities it creates for NASA, aerospace, and industry align perfectly with this administration’s vision for space.”
— NASA Administrator James F. Bridenstine

RESERVE YOUR SPACE TODAY

If you buy, sell, contract, partner, consult, network, build, or supply a product or service in the commercial space industry . . . YOU MUST BE AT SPACECOM 2019.

PRODUCTS/SERVICES
• Advanced Manufacturing
• Aerospace Components
• Big Data/Cloud Services
• Commercial Human Spaceflight
• Communications
• Data Science
• Earth Observation and Remote Sensing
• Electronics
• Emissions Monitoring: Carbon, Methane, Reducing Carbon Footprint
• Engineering Services
• Finance
• Ground Equipment/Infrastructure
• IT Solutions and Cyber Security
• Large and Small Commercial Satellites
• Launch Services
• Radiation
• Robotics
• Space Vehicle Manufacturing
• Spaceports
• Surface Treatments/Coatings
• Testing, Qualification, and Validation

ENTREPRENEUR PAVILION
A game changer for new companies joining the industry. Join us if you’re a startup company involved with:
• AI and Predictive Analytics
• Advanced Materials
• Medical Innovation
• Nanotechnology
• Robotics
• Technology Innovation
• Unmanned Aerial Vehicles (UAVs)
• Wearables
• And more

INTERNATIONAL NEIGHBORHOOD
If you want to provide services to U.S. companies or to the U.S. government through prime contractors, or build international partnerships, you should exhibit at SpaceCom. This includes:
• International companies
• International consultants
• International governments
• Space agencies
REACH THE COMMERCIAL SPACE MARKET AT SPACECOM

- **Government/Nonprofit Rate**: $30 per sq. ft.*
  
  *Must provide credentials to validate government agency status

PRIVATE MEETING SUITES:

Right on the show floor, set up meetings with your current and potential customers.

- **Industry Rate**: $48 per sq. ft.
- **Government/Nonprofit Rate**: $38 per sq. ft.*

  *Must provide credentials to validate government agency status

In 2018, all 10 NASA Centers were represented at SpaceCom

*Targeted industries include energy, medical, maritime, advanced manufacturing, and agribusiness. Source: 2018 SpaceCom Registrant Data

Attendees by Title:

- 26% C-level/Executive/Senior Management
- 20% Other/Procurement
- 16% Business Development/Sales
- 12% Engineering
- 7% Project Management
- 6% General Management
- 5% IT/Technology
- 4% R&D/Product Development
- 4% Marketing

Attendees by Sector:

- 26% Aerospace
- 17% Targeted Industries*
- 15% NASA
- 11% International
- 8% Other Government
- 7% Investment
- 5% Small Business
- 4% Media
- 7% Other
