

“THERE ARE NOW TWO MAJOR SPACE INDUSTRY EVENTS EACH YEAR: SPACE SYMPOSIUM & SPACECOM”

- ADVISORY BOARD MEMBER, SPACECOM

Disclaimer: SpaceCom is not affiliated with or sponsored by United States Space Foundation or the National Space Symposium.

2019 SPACECOM
NOVEMBER 20-21 | HOUSTON, TX

The Space Symposium, held each spring, brings together space leaders from military, national security, civil and commercial space sectors.

SpaceCom, held each fall, is America’s Commercial Space Conference & Exposition. Developed in conjunction with NASA, Department of Commerce and the commercial space industry, SpaceCom provides businesses a clear course to gain a competitive advantage in the coming trillion-dollar space economy.
